Pursuant to the Freedom of Information Act, we are requesting access to, and inspection of, the following records maintained by or for the Environmental Protection Agency

Copy of any or all EPA Administrative orders issued to Downstream Environmental LLC. 3737 Walnut Bend Ln, Houston, TX 77042 **TCEQ MSW Permit MSW 2298 TCEQ Registry: RN101662617 between 9/1/15 and 10/28/15.**

As you know, FOIA provides that if portions of a document are exempt from release, the remainder must be segregated and disclosed. Therefore, I will expect you to send me all non-exempt portions of the records, which I have requested, and ask that you justify any deletions by reference to specific exemptions. I reserve the right to appeal your decisions to withhold any materials.

Since some of the documents listed above may be more readily available than others please provide the documents that are available as soon as possible without waiting to provide access to all documents. I promise to pay reasonable search and duplication fees in connection with this request. However, If you estimate that the total fee will exceed \$100, please notify me so I may authorize the expenditure of a greater amount.

We look forward to hearing from you within federal guidelines.
